

650 ~ 999 (L)

This technical drawing illustrates the dimensions and features of the DESKER DSBC0483BSAN power strip clamp. The overall width is 80 ~ 119 (W) and height is 40 ~ 79 (H). The top part shows the product name 'DESKER' and model 'DSAX0014' with a 'POWER STRIP CLAMP' label. The bottom part shows the product name 'DESKER' and model 'DSBC0483BSAN' with a 'POWER STRIP CLAMP' label. Various dimensions are indicated: 30 for the top gap, 35 for the main body height, 20 for the base height, 50 for the base width, 18 for the base thickness, and 30 for the side gap. A note at the bottom left cautions against using a knife to open the product. The drawing also includes a reinforcement frame (EINFORCMENT FRAME) and a G/W: (Ground/Wire) symbol.
